HIGHLIGHTS

Project Highlights

As of December 31, IOM Hungary concluded its project, aiding the social, cultural and economic inclusion of Ukrainian refugees and third-country nationals. The initiative featured a Job Fair with 154 participants, school activities for 33 children, an Autumn camp for 25 kids, and cultural events like Santa's visit or Hungarian dance nights.

In parallel, IOM Hungary successfully concluded its Assisted and Voluntary Return and Reintegration (AVRR) Programme, assisting over 300 people in voluntary returns since May 2021.

These projects were co-financed by the Asylum, Migration and Integration Fund of the European Union and the Hungarian Ministry of Interior.

INTERNATIONAL MIGRANTS DAY 2023
