

On 24 February 2022, the Russian Federation launched a broad military invasion in Ukraine, which has contributed to significant internal displacement and cross-border movements.

To this moment, it is estimated that over **14,031,127<sup>1</sup>** persons have been forcibly displaced into neighboring countries, with still more projected to move out of the country.

**1,549,304<sup>1</sup>** persons have arrived to Hungary across the Hungarian-Ukrainian border.

**30,000<sup>1</sup>** persons applied for the temporary protection status in Hungary.

## STORY

Over the weekend, IOM Hungary helped the Ukrainian Greek Catholic Church Foundation in Hungary with their community event to commemorate Defender's Day. IOM provided food and non-food items (NFIs), including stationery for children's activities. Approximately 200 people attended the event offering diverse cultural, creative and arts activities, and enjoyed the community experience and communal lunch.
