OPERATIONAL UPDATES

Direct assistance: IOM operates an information point at Nyugati railway station in Budapest, in cooperation with the Municipality of Budapest where people can receive legal counselling on status, residence permit and temporary protection, as well as information on accommodation and available services. Information provision is also ensured at the border through IOM's permanent presence at Záhony railway station.

Accommodation: IOM is running an accommodation facility and managing short term bookings through its partnership with Airbnb.org for Ukrainian citizens and TCNs in need. Another accommodation is available to support urgent cases and late arrivals. In the **Szatmar county (border area)**, IOM mobile teams are also visiting the shelters provided by the municipalities and meeting with the beneficiaries to make sure they receive assistance responsive to their needs.

OPERATIONAL UPDATES

Counter trafficking: IOM Hungary is scaling up the counter-trafficking component of its emergency response through the development of communication materials, especially information and awareness-raising leaflets. Social media channels are also being used to disseminate messages on safe migration and raise awareness on protection risks.

Protection: Vulnerability screening assessments are being conducted by IOM staff in the border area, including in the shelters provided by local municipalities and at IOM Hungary's desk in Záhony with referrals being made to specialized services according to identified needs. IOM staff is raising awareness on protection risks and identifying unaccompanied and separated minors as well as TCNs and refugees with indicators of vulnerability and/or human trafficking.

Assistance to Third Country Nationals: TCNs are provided individual counselling on humanitarian voluntary return to their country of origin, together with direct assistance before and during departure. IOM Hungary's mobile teams are also conducting a mapping exercise in Budapest, especially in the different universities, to identify Third Country Nationals fleeing from Ukraine and provide them with relevant information and support.

Emergency hotline: IOM provides information remotely on legal status and accommodation, together with MHPSS, services. IOM also raises awareness on and responds to emergency situations involving trafficking and exploitation. IOM Emergency hotline: **0680 984 544** (free of charge).

Mental Health and Psychosocial Support Service (MHPSS): IOM provides direct MHPSS to migrants, emergency affected persons and host communities. IOM has designed and improved capacity-building initiatives in various aspect of MHPSS and population mobility.

Provision of non-food items and snacks: IOM provides non-food items directly to beneficiaries, in cooperation with partners, such as hygiene products and kits. Yet, IOM has started to provide snacks and food.

IOM HUNGARY AND ADRA PARTNERSHIP

IOM Hungary is successfully pursuing the cooperation with ADRA in supporting beneficiaries in accordance with their needs. Indeed, last week, IOM Hungary delivered hygiene items to 80 people who are accommodated in the mid-term shelter in Tata. On the other side, ADRA distributed some snacks and non-food items. So far, IOM Hungary has provided 1836 non-food items including hygiene products.
